Cinta Aveda Institute offers quality education at a surprisingly affordable cost, however many qualified students will need financial assistance in the form of Federal Aid in order to attend school. To meet this need, Federal Financial Aid is offered to qualified students who deserve a post-secondary education but do not have adequate financial means to do so.

Cinta Aveda Institute administers Title IV programs in accordance with the Higher Education Act (HEA). The Institute FAO stays abreast of DOE regulations through the IFAP website, communications from the Third Party Servicer and by attending yearly financial aid training seminars.

How students apply for Federal Student Aid and how eligibility is determined

Students wishing to enroll in Cinta Aveda Institute should fill out an application for Federal Financial Aid using the Free Application for Federal Student Aid (FAFSA) on the web at <https://fafsa.ed.gov/>. You should use FAFSA4caster to learn more about the financial aid process and get an early estimate of your eligibility for federal student aid. You can access the FAFSA4caster at:

Basic Financial Aid Information need-based and non-need based Federal Programs

Cinta Aveda Institute offers the following Financial Aid Programs to help you finance your education and training:

- **PELL GRANTS**
- **FEDERAL DIRECT SUBSIDIZED AND UNSUBSIDIZED LOANS**
- **PLUS LOANS**
- **VA BENEFITS**

What is a Federal Pell Grant?

A Federal Pell Grant, unlike a loan, does not have to be repaid. Pell Grants are awarded only to undergraduate students who have not earned a bachelors or professional degree. A professional degree would include a degree in a field such as pharmacy or dentistry.

A distinguished feature of the Pell Grant program is its control concept “entitlement” which guarantees that a student who demonstrates a need will receive a grant. This gift grant is based on need and the cost of education at the school he/she chooses to attend. The most a student can receive in an award year, if eligible, is **\$7395.00 (for 2023-2024 Academic Year)**

For many students, Pell Grants are usually a foundation of financial aid, to which aid from other federal and non-federal sources might be added.

What are Federal Direct Loans?

Federal Direct Loans are educational loans designed to help students meet educational expenses. They are low interest loans that must be repaid. Interest rates are variable and payments will begin 6 months after graduation or if the student withdraws from the program they will begin immediately.

FEDERAL DIRECT SUBSIDIZED LOAN:

The subsidized loan program is based on need. As an undergraduate, he/she may borrow up to **\$3,500** for the first year and **\$3500** for the second year. However, a student cannot borrow more than the cost of attendance at his/her school less any other financial aid he/she may receive. Interest rates are variable and will not begin until the students go into repayment. Payments will begin 6 months after graduation or the date the student withdraws.

FEDERAL DIRECT UNSUBSIDIZED LOAN:

The unsubsidized loan program is not based on need. Independent undergraduates may borrow up to **\$6,000 per academic year** and dependent students may borrow up to **\$2,000 per academic year**. Interest rates are variable and will begin on the first day of the student's first disbursement. Students may or may not pay the interest while attending school but the principle is not due until 6 months after graduation or the date of withdrawal.

FEDERAL PLUS LOAN:

The Plus Loan is designed for dependent students. Parents of dependent students may borrow up to the total cost of education per academic year for a child enrolled at least half-time. The interest rate is variable and can change once per year. If parents are denied a Plus Loan, the student may **borrow up to an additional \$4,000 on their unsubsidized loan**. Payments begin within 60 days of final disbursement or upon the student's withdrawal from the Academy.

How do I Qualify?

To determine if you're eligible financially, the U.S. Department of Education uses a standard formula, established by Congress, to evaluate the information you report when you apply. The formula produces an Expected Family Contribution (EFC) number. The Academy will receive the ISIR which will determine the student's eligibility.

GENERAL ELIGIBILITY REQUIREMENTS

To be eligible for financial aid, a student must:

- Be admitted as a regular student
- Be enrolled or accepted for enrollment in an eligible program (at least half-time basis)
- Be a U.S. citizen or an eligible non-citizen

- Demonstrate that you have need. (Need is the difference between the cost of education and the amount you or your family can afford to pay). Need is determined by the information that is supplied on the Free Application for Federal Student Aid
- Maintain satisfactory academic progress (as defined by the school's policy) towards completing your course of studies
- Not be in default of a Federal Perkins loan or Federal Stafford Loan according to NSLDS
- Have a High School Diploma or General Education Development (GED) certificate
- Do not owe a refund on a Pell Grant or SEOG at any school
- Be registered for selective service (if a male born on or after January 1, 1961)
- Must have a signed statement of educational purpose
- Must have a signed statement of updated information
- Must use any Federal student aid received solely for educational purposes

ENTRANCE LOAN COUNSELING

All students applying for Title IV Aid must complete an Entrance Loan Counseling prior to the first disbursement of any federal funds. Entrance Loan Counseling for Direct Loans can be found at www.studentloans.gov. The Entrance Loan Counseling documentation must be printed and turned into the Admissions office for the students financial aid file.

TITLE IV PROCESSING

Pell Award – A student will receive a total of one PELL during the first 900 hour award year if the student is Pell eligible. Each Pell is awarded according to the students EFC.

Pell Disbursement – Each student, if eligible, will receive ½ of their Pell disbursement at the beginning of the program and again at the halfway point of the academic year. Disbursements are disbursed on actual hours only as long as the student is maintaining satisfactory progress. If the student received 2 disbursements in one academic year, the student must cross over into another award year (July 1st) to apply for additional funding. The student must complete the new award year FAFSA to establish eligibility.

Student Loan Disbursement – Loans are disbursed on two separate occasions. The first half of the loan will be disbursed approximately 30 days after the first day of class and the other half at midpoint of the loan period.

No Pell or Loan disbursements can be made unless the student is making satisfactory progress in his/her attendance and academic studies.

TERMINATION OF STUDENT FINANCIAL AID

A student will lose all financial aid eligibility for the following reasons:

- Not making satisfactory progress in his/her attendance and academic studies.
- Being absent from school for a total of 14 days.
- Not returning from an official leave of absence.

REINSTATEMENT OF FINANCIAL AID

A student may be reinstated for aid after:

- Students achieve satisfactory progress.
- Re-entering after being dropped or withdrawn from the school within 180 days.
- Students prevail upon an appeal for an adverse satisfactory progress.

VERIFICATION

FEDERAL PROCESS TO AFFECT FINANCIAL AID FOR STUDENTS

The federal government, through legislation, has created an application review process called “**verification.**” This process will be applied to all federal and some state program funds including Stafford Loans and Pell Grants. The following questions and answers are designed to assist you in understanding the process and its possible effect on your Financial Aid for the academic year.

WHAT IS VERIFICATION?

The review process called “Verification” is to ensure that all data provided on the federal application upon which you applied for financial aid is correct and complete. Students and their families may be asked to provide additional documentation or to update their data by the school. Documentation will be requested, if necessary, in order to complete the verification process. Federal law requires us to complete this procedure before we can process your Federal Direct Loan Application or disburse/credit your student account with any funds. An outline of the policies and procedures that govern the verification process is provided in this material. Your responsibilities and the deadlines you must meet are also provided. If you do not submit this information, you will not receive your aid. If you have any questions regarding the verification process, please contact the school.

WHY WAS I SELECTED?

The selection of an application for verification review could happen because of one of the following conditions:

- The school elects to verify the applicant's information on the application.
- The Pell Grant program, through its own editing process, will randomly select a number of applicants for verification (this does not mean that your information is incorrect).
- The Pell Grant program, through its own editing process, due to inconsistent data being used by the applicant, will flag that particular application for verification.

IF I APPLY FOR A LOAN, WILL VERIFICATION AFFECT ME?

Yes, a loan is a federally subsidized program. Consequently, not only must your application be verified (if selected), but each student's loan application must first be certified by the Academy's third party servicer before payment can be requested.

HOW DO I PASS VERIFICATION?

All students applying for just a loan must complete an application for Federal Student Aid. The data will then be reviewed through an approval process to determine if it will be selected for verification.

If selected for verification:

- You must complete a "**Verification Worksheet**" which will be given to you by the school. This form collects income and asset information from both the student and/or parents. In addition, students may have to submit all of their own tax forms as well as those of their parents.
- If the information is verified, the school's third party servicer will certify the loan and process for payment.
- If there is conflicting data, the school will contact the student for further clarification before the loan can be certified and processed for payment.

Borrower's Rights

- You have the right to receive a copy of your promissory note either before or at the time your loan is made.
- You are entitled to receive a disclosure statement before your loan repayment begins which includes information about interest rates, fees, loan balance, monthly payment amount, and the number of payments.
- If you qualify, you have the right to request a deferment of your loan payments for a specified period of time.
- If you qualify, you have the right to request a forbearance if you are unable to make payments and don't qualify for a deferment.
- You have the right to a grace period before your loan repayment period begins. However, your parents do not receive a grace period for a PLUS Loan. Your grace period begins when you graduate from school.
- You have the right to prepay all or any part of your loan(s) at any time without penalty.
- You must be notified in writing if your loan is sold to another lender or secondary market or transferred to another financial company for servicing. You must be informed regarding the identity of the new lender or loan holder, the address to which you must

make payments and the telephone numbers of both the purchasing and selling lenders and servicers.

- You have a right to receive documentation that your loan(s) is/are paid in full.

Borrower's Responsibilities

- You must repay your student loan(s) including accrued interest and fees even if you do not complete your education, are not satisfied with your education, or are not able to find employment.
- You must make your payments on time, even if you do not receive any notices from your lender or servicer.
- You must immediately notify the lender or servicer if you are unable to make a scheduled payment.
- If you apply for a deferment or forbearance, you must continue making loan payments until you are notified that your request has been granted.
- You must notify the lender regarding any reasons that might change your eligibility for a deferment.
- You must participate in exit counseling before you leave school.
- You must notify the lender in writing within 10 days if any of the following personal information changes:
 - **Name**
 - **Less than half-time enrollment**
 - **Withdrawal from school**
 - **Transfer to another school**
 - **Graduation date**
 - **Telephone number**
 - **Social Security number**
 - **Reference**

GENERAL INFORMATION - The Financial Aid Officer is available during regular school hours to help students with any questions they might have pertaining to financial aid. You may make an appointment if you have further questions.

● Fees.....	\$ 0.00
● Loan Fees.....	\$ 98.00
● Book/Kits.....	\$ 3385.00
● Personal Expenses.....	\$ 4,207.00

● <u>Room and Board.....</u>	<u>\$ 12,607.00</u>
TOTAL.....	\$ 34,908.00

WITHDRAWING OR DROPPING FROM SCHOOL

The date of withdrawal determination shall be the earlier of the scheduled date of return from the leave of absence or the date the student notifies the institution that the student will not be returning. For a student who is a no call/no show after 14 consecutive days, the determination date will be on the 14th day of absence. Students who withdraw or are terminated from the Institute are subject to a return of Title IV funds for unearned tuition.

Return of Unearned Title IV Funds

The school will determine the amount of Title IV Aid to be returned in accordance with the Department of Education Guidelines. Eligible Title IV Aid recipients who fail to complete over **60%** of a payment period are considered to have not earned all the Federal Aid that may have been previously awarded. A required calculation will be performed to determine the portion of the unearned Federal Student Aid that must be returned to the U.S. Department of Education. In many cases, the Return of Unearned Title IV Funds calculation will result in the student owing tuition and fees to the Institute that would otherwise have been paid with Federal Aid funds. This policy may also result in the student owing a refund to the Department of Education.

Example: Student completes **135 scheduled hours of the first 450 hour payment period** and receives a Pell and student loan disbursement. The disbursements are credited to the student's tuition ledger. The student withdraws and the unearned financial aid is calculated. The student has only earned 30% of the financial aid that was disbursed therefore 70% of the aid is returned to the Federal Department of Education. The student's ledger is adjusted to show the money returned and the tuition balance is the responsibility of the student.

RETURN OF AID DISTRIBUTION

After the school has determined the amount to be returned, the school will return all sums according to the following distribution: **Federal Family Education Loan Program, Federal Pell Grants, FSEOG, and then Student.**

Below are examples of the Return of unearned aid (R2T4) calculation form, and also the Institute Refund worksheet to demonstrate the results of withdrawing from the Institute whether voluntary or terminated by the Institute.

R2T4 Calculation Example

John Doe enrolled into the Institute on 8/3/2015

Withdrew on 9/26/2015

Actual hours completed 105

Scheduled hours completed 135

135 divided by 450 payment period hours = 30% completed
Title IV disbursed \$4500.00
30% X \$4500.00 = \$1350.00 earned by student
\$3150.00 is returned to the Federal Aid Programs

Institute Refund Worksheet example:

Total scheduled hours X the tuition hourly charge calculation = Tuition Owed + the registration fee and the cost of kit and books.

Tuition: \$14,500.00
 Reg. Fee 100.00
 Kit & Book Fee 2,300.00
 Total: \$16,900.00

Tuition X % of Scheduled Hours Completed:	\$1,015.00
Registration	\$ 100.00
Kit and Book	\$2,300.00
TOTAL TO BE RETAINED	<u>\$3,415.00</u>

Amount Paid by Student: \$ 4500.00

Amount Returned to Title IV \$3150.00

AMOUNT OWED OR REFUNDED \$2,065.00

Refunds will be made within 45 days of termination or receipt of cancellation notice. For non-Title IV students, refunds will be made within 30 days of termination or receipt of cancellation notice.

Exit Counseling

All students who are graduating or withdrawing from school must receive exit counseling. The school will ensure that students receive exit counseling before they leave school. Counseling may be provided in person (individually or in groups), or using audiovisual materials. As with entrance counseling, exit counseling is offered online by the Department of Education. Student borrowers should be advised to complete online exit counseling or come to the counseling session at the school shortly before graduating, or ceasing at least half-time enrollment. Financial Aid Staff are reasonably available to answer questions from student borrowers. The borrower is obligated to participate in an exit counseling session.

Some of the same material presented at the entrance counseling session will again be presented during exit counseling. The emphasis shifts to more specific information about loan repayment and debt-management strategies. The following information will be provided as part of exit counseling:

1. Exit counseling emphasizes the seriousness and importance of the repayment obligation.
2. The lender sends payment coupons or billing statements as a convenience for the borrowers. Not receiving them does not relieve the borrower of his or her obligation to make payments.
3. Many lenders encourage borrowers to set up electronic debiting of bank accounts to repay their loans.

The regulations require that exit counseling describes the likely consequences of default, including adverse credit reports, and litigation. Students will be informed of the charges that might be imposed for delinquency or default, such as lenders or guarantor's collection expenses (including attorney's fees). Defaulters often find that repayment schedules for loans that have been accelerated are more stringent than the original repayment schedule. A defaulter is no longer eligible for any deferment provisions, even if he or she would otherwise qualify. The defaulter's federal and state tax refunds may be seized and wages garnished, and the borrower loses eligibility or any further funding from the FSA programs.

Emphasis will be given that repayment is required, regardless of educational outcome or subsequent employability. The student borrower will be informed that they are obligated to repay the full loan even if they did not finish the program, cannot obtain a job after graduation, or is dissatisfied with the school's educational program or other services.

Sample monthly repayment accounts will be provided. The borrower will be given an estimate of the average anticipated monthly payments based on their indebtedness (or the average indebtedness of Stafford borrowers at our school or in the same program). The borrower will receive a sample loan repayment schedule based on their total indebtedness. A loan repayment schedule will usually provide more information than just the expected monthly payment. For instance, it would show the varying monthly amounts expected in a graduated repayment plan. The lending organization is not required to send the repayment schedule to the student until the grace period.

Repayment options will be reviewed with the student. The counseling will review the payment options, such as the standard, extended, graduated and income-contingent income sensitive plans. The option of consolidating loans will also be discussed. Consolidation loans are available through the Federal Direct Student Loan Program.

Debt Management Strategies will be discussed. The counselor will stress the importance of developing a realistic budget, based on the student's minimum salary requirements. It is helpful to have the student's budget reflect the loan payment as a fixed cost, like rent and utilities.

Forbearance, deferment, and cancellation options will be discussed including:

1. If a student cannot make scheduled payments and does not qualify for a deferment the lender may allow the student to temporarily make smaller payments or temporarily stop making payments. Interest continues to be charged during forbearance. Some reasons why forbearance may be granted are financial hardship and/or illness. The lender must grant forbearance if the student has a monthly debt burden for Title IV loans that collectively

equals or exceeds 20% of their total monthly gross income (for up to three years). There are several other reasons listed in the Borrowers Rights and Responsibilities.

2. Deferments mean that the student does not have to make payments in certain circumstances. If the student is attending school at least half-time, or if the student is unemployed, if the student is experiencing economic hardship as determined by federal law for up to three years. (See student's rights and responsibilities).

DRUG AND ALCOHOL ABUSE PREVENTION PROGRAM

Drug Offenses Related to TITLE IV Aid

	Possession of illegal drugs	Sale of illegal drugs
1 st Offense	1 year from date of conviction	2 years from date of conviction
2 nd Offense	2 years from date of conviction	Indefinite period
3 rd Offense	Indefinite period	

The student can gain eligibility the day after the period of ineligibility ends or when the student has successfully completed a drug rehabilitation program. If the student has further drug convictions, the student will become ineligible again. Students who have been denied ineligibility for an indefinite period of time can regain eligibility only after successfully completing a rehabilitation program or if the conviction was reversed, set aside, or removed from the student's record so that fewer than two convictions for the sale of illegal drugs or three convictions for possession remain on the student's record. The nature and dates of the remaining convictions will determine when the student can regain eligibility. The student is responsible to self-certify successful completion of a drug rehabilitation program. If The Academy receives conflicting documentation, The Academy will confirm reported information.

When the student regains eligibility, the student may be awarded Pell for the payment period of the award year the student is currently enrolled in. The student will be eligible for Stafford loans for the period of enrollment.

Standards for Qualified Drug Rehabilitation Program

Must include two unannounced drug tests and must satisfy one of the following:

- Be qualified to receive funds from federal, state, or local government programs
- Be qualified to receive funds from a federal or state licensed insurance company
- The program must be administered or recognized by a federal, state, or local government agency, licensed hospital, health clinic or medical doctor

All students who will need to enter a drug rehabilitation program will be counseled by the Institute of the above requirements. If the Institute has any doubt that the drug rehabilitation program does not meet these requirements, the Institute will confirm qualifications of the program prior to disbursing Title IV funds.

Cinta Aveda Institute Drug and Alcohol Policy

Based on the Drug Free Schools and Communities Act Amendments of 1989 (Public Law 101-226), and to express this Institute's commitment to prevent drugs and alcohol abuse in the school environment, the Institute has adopted the following Drug and Alcohol Abuse Prevention Policy, which applies to all students and employees.

It is the policy of Cinta Aveda Institute to prohibit the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in or on any property owned or controlled by the Institute. We are committed to providing a campus environment free of alcohol abuse and illegal use of alcohol and drugs. To strengthen that commitment, the Institute has adopted and implemented a program that seeks to prevent the abuse of alcohol and drugs, which includes its employees and students.

The policy contains the following sections: Standards of Conduct; Institutional Sanctions; Applicable Legal Sanctions; Health Risks Associated with the Use of Illicit Drugs and the Abuse of Alcohol; Available Drugs and Alcohol Counseling, Treatment, and Rehabilitation; Federal Drug Workplace Act Requirements; and Review.

1. Standards of Conduct

The unlawful manufacture, dispensation, possession or use of a controlled substance (drugs) and the unlawful possession, use, or both, of alcohol, are prohibited in and on property owned or controlled by this Institution.

No employee or student is to report to work, attend class, or participate in any Institute activity while under the influence of one or more illegal drug or alcohol.

The possession and use of alcoholic beverages by employees, students, and guest of the Institute are at all times subject to applicable state alcoholic beverage laws, as well as city ordinances within our service area and the Institute's policy.

II. Institutional Sanctions

Violation of the policy and laws referenced above by an employee or student will be grounds for disciplinary action up to and including termination or expulsion in accordance with applicable Institute's policies. Violators may be consistent with local, state, and federal criminal laws. Disciplinary action taken against a student or employee of this Institute does not preclude the possibility of criminal charges being filed against that individual. The filing of criminal charges similarly does not preclude disciplinary action by the Institute. Students or employees who believe disciplinary action was taken in error should follow the grievance procedures outlined in the student or employee handbook as appropriate.

FEDERAL DRUG-FREE WORKPLACE ACT REQUIREMENTS

The following are required of the Institute and its employees and students:

1. An employee or student shall notify his or her supervisor or other appropriate management representative of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction.
2. The Institute shall notify any federal contracting agency within ten days of having received notice that an employee or student, who was engaged in the performance of such a contract or grant, has had a criminal drug statute conviction for a violation occurring in the workplace.
3. The Institute will take appropriate personnel action against any employee or student who is convicted for a violation occurring in the workplace and will require the employee's or student's satisfactory participation in a drug abuse assistance or rehabilitation program.

APPLICABLE LEGAL SANCTIONS

A. Federal Law

Federal law prohibits the illegal possession, manufacture and distribution of controlled substances. The following information, although not complete, provides an overview of federal penalties for first convictions.

SEX OFFENDERS, SEXUAL HARASSMENT AND ANTI-HAZING POLICY

Aveda Cinta Institute is committed to and ensuring an educational environment that is free of sexual harassment, sexual violence or harassment based on sexual orientation.

1. Definition of Sexual Harassment: Unwelcome sexual advances, requests for sexual favors and other verbal and/or physical conduct of a sexual nature may constitute sexual harassment when:
 - Submission to such conduct is made either explicitly or implicitly as a term or condition of an evaluation of a student's academic performance, term or condition of participation in student activities or in other events or activities sanctioned by the Institute.
 - Submission to or rejection of such conduct by an individual is used as the basis for academic decisions or other decisions about participation in student activities or other events/activities sanctioned by the Institute.
 - Such conduct has the purpose or effect of threatening an individual's academic performance or creating an intimidating, hostile or offensive educational environment.
2. Sexual Harassment is a violation of Section 703 of Title VII of the Civil Rights Act of 1964 as amended in 1972, (42 U.S.C s2000e, et, Sequa). This is punishable under both federal and state laws.
3. Definition of Sexual Violence or Assault: Acts of sexual violence, such as rape, acquaintance rape or other forms of nonconsensual sexual activity or violence or harassment based on sexual orientation. These acts will not be tolerated at the Institute as such acts are inappropriate and create an environment contrary to the goals and mission of the Institute. Any such acts will be thoroughly investigated and will subject an individual to appropriate disciplinary sanctions and/or possible action by appropriate law enforcement agencies.
4. It is the responsibility of all persons within the Institute to work to ensure an educational environment free from sexually violent and/or harassing behavior. All members of the Institute (students and staff) are expected to report incidents of sexual harassment, sexual violence or assault and harassment based on sexual orientation. The Title IX Coordinator is the designated Sexual Harassment Officer.
5. The Title IX Coordinator is responsible for investigating complaints of sexual harassment, sexual violence; harassment based on sexual orientation and alleged sexual harassment which has not resulted in a complaint.
6. Students who experience sexual harassment should be encouraged to make it clear to the alleged offender that such behavior is offensive. However, failure to comply with this provision does not defeat the investigation.

7. Efforts shall be made to protect the privacy of the complainants within the constraints of the law. The complainant shall be protected, to the extent possible, from retaliation. Appropriate and immediate attention must be given to complaints.
8. Students may pursue redress of sexual harassment also through the Department of Human Rights, the Federal Equal Opportunity Commission or through the criminal justice system.
9. For all formal complaints of sexual harassment and/or sexual violence based on sexual orientation, the Institute Director shall determine the action and notify both parties of the action. A memorandum of such action will be sent to the CEO. Individuals found in violation of these policies will be subject to appropriate disciplinary sanctions, including possible expulsion from the Institute.

TITLE IX

Title IX of the Education Amendments of 1972 prohibits sexual discrimination in any form, to include sexual harassment and gender discrimination. In compliance with Title IX, Cinta Aveda Institute is committed to ensuring that all its students have equal opportunity to benefit from our program and activities and that all its employees have equal employment opportunity; free from sexual harassment and gender discrimination.

Investigation of Complaints

In response to all complaints, the Title IX Coordinator will provide a prompt and impartial resolution through an investigation, including the opportunity for both parties to present witnesses or other evidence. The time necessary to conduct an investigation can vary based on complexity but will generally be completed within sixty (60) days of the initial complaint.

Confidentiality will be maintained for all parties to the extent possible, but absolute confidentiality cannot be guaranteed. In cases where a student does not give consent for an investigation, the Title IX Coordinator will determine the student's request for confidentiality against the impact on the Academy's safety to decide whether an investigation is necessary.

Complainants should be aware that in a formal investigation the process can generally require that the identity of the charging party and allegation be revealed to the person charged with the alleged harassment. Both parties will receive notice of the outcome of the complaint.

During the investigation, the Title IX Coordinator will take necessary measures to protect the safety and well-being of students and/or employees involved. If determined that unlawful harassment or sexual violence has occurred, immediate appropriate corrective action will be taken. Any employee determined to be responsible for unlawful harassment or discrimination will be subject to appropriate disciplinary action, up to and including termination. Resolutions for student-related claims may include, but are not limited to, an order to stay away, suspension, or expulsion.

To initiate a criminal investigation, reports of sexual violence should be made to "911" or local law enforcement. The criminal process is separate from the Institute's disciplinary process.

Retaliation

The Institute strictly prohibits retaliation against any person for filing a complaint about harassment, for making a request that harassing conduct stop or for assisting a person with a harassment complaint.

VIOLENCE AGAINST WOMEN ACT (VAWA)

In 1994 Congress passed the Violence Against Women Act (VAWA) in recognition of the severity of crimes associated with domestic violence, sexual assault and stalking. This Act emerged from the efforts of a broad, grassroots coalition of advocates and survivors who informed the work of Congress. In the two decades prior to VAWA, a movement had grown within the United States to respond appropriately to violent crimes against women. Rape crisis centers and women's shelters were established in localities and state and local laws had changed. However, the progress had been uneven around the country. VAWA was born out of the need for a national solution. This Act enhances the investigation and prosecution of violent crimes against women.

Domestic violence can happen to anyone regardless of race, age, sexual orientation, religion, or gender. Domestic violence affects people of all socioeconomic backgrounds and education levels. Domestic violence occurs in both opposite-sex and same-sex relationships and can happen to intimate partners who are married, living together or dating.

Domestic violence not only affects those who are abused, but also has a substantial effect on family members, friends, co-workers, other witnesses and the community at large. Children who grow up witnessing domestic violence are among those seriously affected by this crime. Frequent exposure to violence in the home not only predisposes children to numerous social and physical problems, but also teaches them that violence is a normal way of life - therefore, increasing their risk of becoming society's next generation of victims and abusers.

The HEA defines the new crime categories of domestic violence, dating violence and stalking in accordance with section 40002(a) of the Violence Against Women Act of 1994 as follows:

1. "Domestic violence" means a "felony or misdemeanor crime of violence committed by
 - a current or former spouse or intimate partner of the victim
 - a person with whom the victim shares a child in common
 - a person who is cohabitating with or has cohabitated with the victims as a spouse or intimate partner
 - a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies (under VAWA), or
 - any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction."

2. “Dating violence: means “violence committed by a person
 - who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors:
 - i. The length of the relationship
 - ii. The type of relationship; and
 - iii. The frequency of interaction between the persons involved in the relationship.”
3. “Stalking” means “engaging in a course of conduct directed at a specific person that would cause a reasonable person to
 - fear for his or her safety or the safety of others; or
 - suffer substantial emotional distress.

The Title IX Coordinator and Deputy Coordinator have documented training for Violence Against Women Reauthorization Act of 2013 (VAWA).
