- vi. If the Institute gave the Student any equipment, the Student shall return the equipment with the notice of cancellation. If the Student fails to return the equipment, the Institute may retain that portion of the consideration paid by the Student equal to the cost of the equipment and shall refund the portion of the consideration exceeding the cost of the equipment within 10 days after the period within which the Student is required to return the equipment. The Student may retain the equipment without further obligation to pay for it.

 1. all of the Student's tuition and fees are paid by a third-party organization, such as a Job Training Partnership Act agency, a Regional Occupational Program or Regional Occupational Center, a Private Industry Council, or a vocational rehabilitation program, if the Student is not obligated to repay the third-party organization or does not lose time-limited educational benefits; or

The written notice of withdrawal need not take a particular form and, however expressed, is effective if it indicates the Student's desire to withdraw from the Program.
- g) Determination of Withdrawal Date.** For the purposes of this Agreement, the Student shall be deemed to have withdrawn from the program of instruction when any of the following occurs:
